Bond Dickinson offers a substantial national and ‘full corporate service’ for our clients. The need for specialist input varies from transaction to transaction, but we have the ability to call on specialist lawyers from across the firm. This could include legal specialists, such as tax, pensions, competition or employment lawyers.

as diverse as chemicals and manufacturing, energy and natural resources, financial institutions, private wealth, insurance, real estate, retail, transport and infrastructure. As industry experts we actively commit and invest in developing teams who have a passion for the sectors in which they operate. This enables us to act as a natural extension of our clients’ businesses.
